### Chart Your Course for the Future with the 2019 Session Catalog

Your time is limited. Fortunately, charting the future doesn't have to be a solo mission. Take a look at the [2019 Oracle OpenWorld session catalog](#) and plan your experience, based on your own unique needs—by topic, product, or job role. Tackle your biggest challenges through product trainings, customer case studies, product roadmaps, and more.

The future is wide open at [Oracle OpenWorld](#)—start planning now and propel your business to maximum results. It's all here.
